

Hello District One Members,

On behalf of the NATAPAC Board of Directors, I want to congratulate you as you navigated through the past two years like no other!

All of us have felt the disconnect of not meeting face to face. I optimistically hope for CDC, federal, and state health guidelines that will allow us to come together in 2022.

When convenient, I invite you to join our Board of Directors and me to be an advocate for NATAPAC. As NATA's political action committee, NATAPAC is the lone entity in helping elect members of Congress favorable to the athletic training profession. A nonpartisan organization, the PAC allows athletic trainers to combine resources to collectively build relationships and shape the political environment.

If questions arise, please contact me at mlbcharro@aol.com or Amy Callender, NATA's director of government affairs at amyc@nata.org.

Thank you for being a part of NATAPAC!

Yours in health,

Mark A. Letendre ATC
